## **Action taken reports on environmental promotional activities beyond the campus.**

With a vision & commitment to protect the environment Government shivalik College Naya Nangal has organized a Plantation drive every year. The aim was to create an awareness among students regarding the benefits of plantation and ecosystem restoration & to direct student's mind in constructive activities with the positive outcome.

Environment pollution has become a major challenge to human being. It possesses a big threat to human civilization due deforestation and lack of proper afforestation. A Green Campus is a place where environmental friendly practices and education combine to promote sustainable and eco-friendly practices in the Department. The green campus concept offers the students an opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of the mankind. Stubble burning, cleanliness drive outside and inside the campus, Say No to Plastic, use of dustbins etc are major environmental promotional activities performed in college.

## 1). VAN- MAHOTSAV

Objective:

1. Plant more and more trees
2. To Create Awareness among community about planting trees and conserve forest.

Van Mahotsav week is celebrated in the first week of July and plantation drives are carried out across the country. Union Environment Minister Prakash Javadekar on July 1, 2021, kickstarted the week of Van Mahotsav 2021 with the plantation of Parijat sapling in New Delhi.

Van Mahotsav plays a crucial role in the times when the forest cover and tree cover are under threat more than ever due to human activities. The festival is an opportunity to take up more tree plantation drives and preserving the forests in the country. On this occasion of Van Mahotsav, NSS Cell of Government Shivalik college Naya Nangal celebrated the plantation drive and encouraged the volunteers to take an initiative to plant a tree and Name it after their special one. NSS Cell of Government Shivalik college Naya Nangal urges one and all to take the initiative and plant trees in their homes and neighborhood and celebrate the tree plantation week.

On dated 22/02/23, essay writing competition was conducted by Botany and Geography department under the adminstartion of Principal Mrs. Seema Saini and guidance of Dr. Anju and Mrs. Baljinder Kaur. On this occasion 20 students participated in essay writing on the Topic "Climate change and disaster risk reduction".

# Beyond the campus environmental promotion activities

## Cleanliness drive of Satluj dariyaa.

Cleanliness drive outside the campus.

# Beyond the campus environmental promotion activities

## Report

Cleanliness activity is the regular feature of Government Shivalik College Naya Nangal. Our college NSS and NCC students regularly participate in this drive. Each year around 100 students joined the NSS and number of students who joined NCC vary according to the rules of NCC. All the students joined the cleanliness drive inside and outside the campus . Cleanliness of Satluj river near satluj park Nangal township is one of the famous cleanliness drive of college and around 20 NCC cadets actively participate in it. Another cleanliness drive outside the college campus i.e.nearby PNB Bank, Shivalik Model School are also famous and around 50 students of NSS actively participate in it. Not only NSS and NCC students but all the students of college are aware about cleanliness and actively participate in this drive.
