## Purpose /Goals of the Program

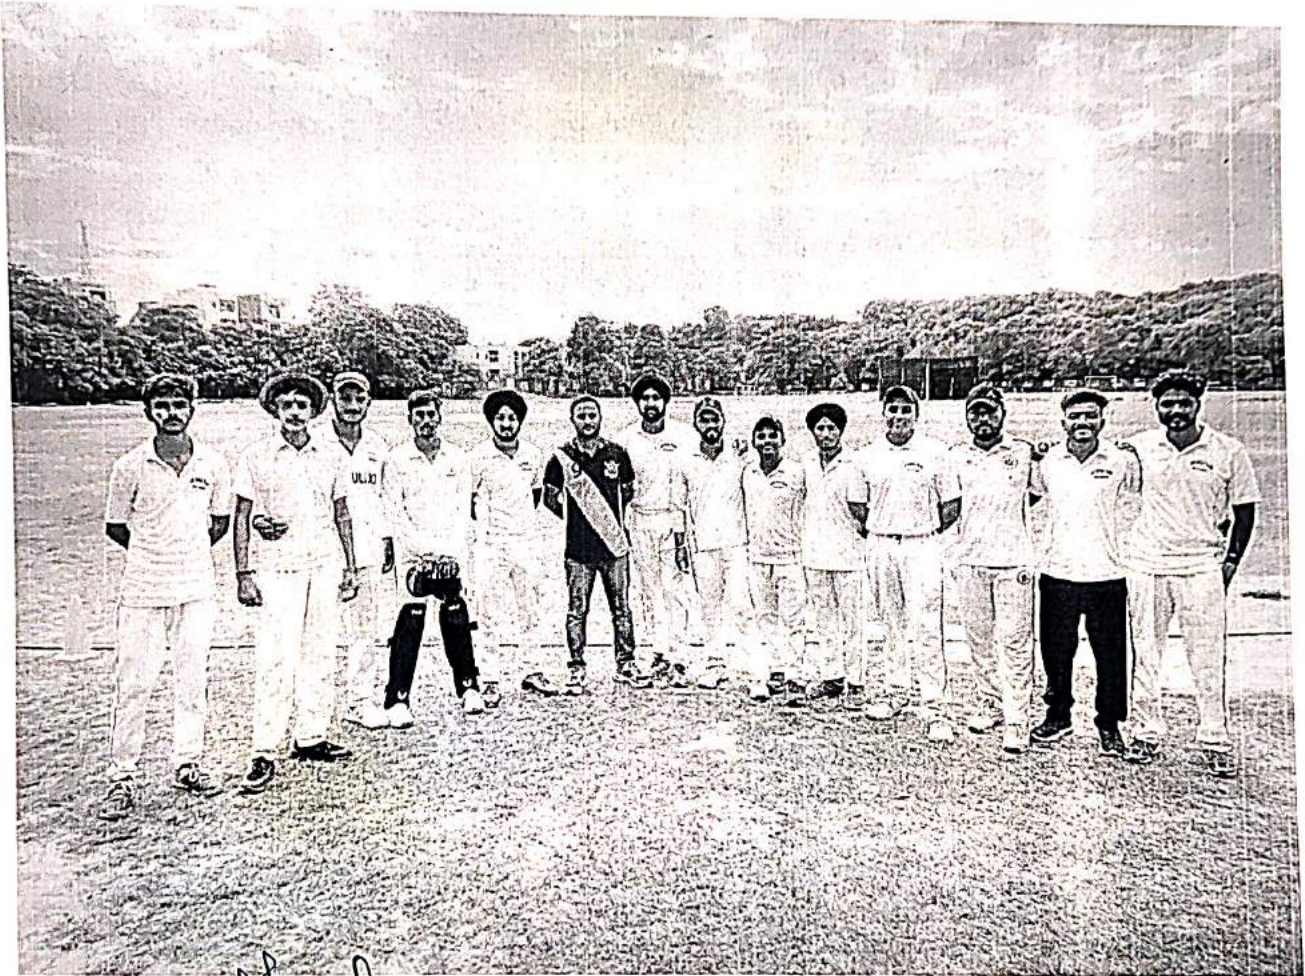

- To learn the basics of cricket.
- To learn and practice fielding & fielding positions, bowling skills, batting techniques, and umpiring.
- To learn about basic of scoring.
- To participate in practice matches
- To spark interest for further participation beyond this Introductory Course
- To improve the Participants skills

## Course Outcomes

1. Basics understanding:- Participants should have a clear understanding of the rules, terminology, and fundamental concepts of cricket. They should be able to follow a cricket match, understand the scoring, and comprehend the roles of different players.
2. Skills Development:- While 30 hours might not make someone an expert player, participants could develop basic skills in batting, bowling, fielding, and wicket-keeping. They should be able to perform these skills with a reasonable degree of competence.
3. Confidence to Play: - Participants should feel more confident in their ability to join casual cricket games or practice sessions. They should be able to engage in basic gameplay without feeling completely lost.
4. Proper Usage of Equipment: Participants should know how to handle cricket equipment correctly, such as selecting an appropriate bat size, wearing protective gear, and maintaining equipment.
5. Understanding of Formats: Participants should be able to differentiate between different formats of the game (Test, ODI, T20) and understand their distinct characteristics
6. Team Participation: Participants should be able to take on specific roles within a cricket team, such as a batsman, bowler, or fielder. They should understand the basics of field placements and positions
7. Basic Strategy: Participants might grasp simple strategic concepts, such as how to rotate the strike While batting, varying bowling techniques, and making effective fielding decisions.
8. Fitness Awareness: While not a comprehensive fitness program, participants might gain an awareness of the physical demands of cricket and some basic fitness routines to maintain their condition.
9. Spirit of the Game: Participants should understand the importance of fair play, respect for opponents and adherence to the spirit of cricket.
10. Further Interest: The course might spark a deeper interest in cricket, prompting participants to explore the sport further through more advanced courses, regular practice, or even joining local cricket clubs.

## OBJECTIVE / GOALS OF THE PROGRAM

- Skill Development:** Improve participants' skills and techniques in various athletics disciplines such as running, jumping, throwing, and other track and field events.
- Physical Fitness:** Enhance participants' overall fitness levels, including cardiovascular endurance, muscular strength, flexibility, and agility.
- Competition Readiness:** Prepare participants for upcoming athletics competitions by fine-tuning their performance, practicing strategies, and ensuring they are physically and mentally prepared to compete.
- Team Building:** Foster teamwork, collaboration, and communication among participants in team-based athletics events or relay races.
- Youth Development:** Introduce young athletes to the world of athletics, teaching them fundamental skills, promoting a healthy lifestyle, and instilling values such as discipline, dedication, and sportsmanship.
- Recreation and Fun:** Provide participants with an enjoyable and engaging experience in athletics games, regardless of their skill level or competitive aspirations.
- Community Engagement:** Bring together individuals who share a common interest in athletics, creating a sense of community, camaraderie, and support among participants.
- Educational Workshops:** Offer workshops on topics such as sports nutrition, injury prevention, proper training techniques, and the history of athletics to provide a well-rounded educational experience.
- Personal Growth:** Encourage personal development by pushing participants to challenge themselves, set goals, overcome obstacles, and build self-confidence.
- Inclusivity:** Ensure that the program accommodates participants of varying skill levels, ages, and abilities, fostering an inclusive and welcoming environment.
- Exposure to New Sports:** Introduce participants to a variety of athletics disciplines, allowing them to discover new interests and expand their horizons within the world of sports.
- Inspiration and Motivation:** Motivate participants to adopt a healthier and more active lifestyle, inspiring them to continue engaging in athletics and physical activity beyond the program.
- Skill Transfer:** Provide participants with skills and knowledge that can be transferred to other areas of life, such as discipline, time management, and goal setting.
- Awareness of Athletics:** Raise awareness about athletics games, their history, and their significance as a form of physical activity and competitive sport.
- Evaluation and Progress:** Assess participants' progress over the 30-hour period, providing them with feedback and insights that can help guide their future training and athletic endeavors.

**The outcomes of a 30-hour athletic basic information program can vary based on the goals, content, and methods used in the program. Here are some potential outcomes that participants might experience:**

- 1. Improved Athletic Skills:** Participants may develop better fundamental skills in running, jumping, throwing, and other athletics disciplines through focused coaching and practice sessions.
- 2. Increased Fitness Levels:** The program could lead to improved cardiovascular fitness, muscular strength, flexibility, and agility among participants.
- 3. Enhanced Knowledge:** Participants may gain a better understanding of the rules, techniques, and strategies involved in various athletics games.
- 4. Competition Readiness:** If the program prepares participants for upcoming competitions, they might be better equipped to perform well and apply effective strategies.
- 5. Teamwork and Communication:** For team-based events, participants could learn valuable teamwork, communication, and coordination skills.
- 6. Introduction to Athletics:** Those new to athletics might gain a newfound interest and appreciation for the sports, encouraging them to continue participation.
- 7. Physical Activity Habits:** Participants could develop a habit of engaging in regular physical activity, leading to long-term health benefits.
- 8. Social Interaction:** The program might foster social connections and a sense of belonging among participants who share a common interest.
- 9. Increased Confidence:** Participants might experience a boost in self-confidence as they achieve personal milestones and improve their athletic abilities.
- 10. Awareness of Safety Measures:** The program could educate participants about injury prevention techniques and the importance of warming up and cooling down.
- 11. Nutritional Awareness:** If included, workshops on sports nutrition could lead to better understanding of how diet affects athletic performance.
- 12. Personal Growth:** Participants could learn valuable life skills such as goal setting, time management, discipline, and perseverance.
- 13. Inclusivity and Diversity:** A well-designed program could create an inclusive environment that accommodates participants from various backgrounds and abilities.
- 14. Positive Attitudes Towards Physical Activity:** Participants might develop a positive attitude towards physical activity, viewing it as enjoyable rather than a chore.
- 15. Inspiration to Pursue Athletics:** The program could inspire some participants to explore competitive athletics or continue engaging in recreational sports.
- 16. Feedback and Improvement:** Participants could receive feedback on their performance, helping them identify areas for improvement and growth.
- 17. Networking:** The program might provide opportunities for participants to connect with coaches, fellow athletes, and experts in the field.
- 18. Understanding of Athletic Culture:** Participants could gain insights into the culture, history, and significance of athletics in society.
- 19. Long-Term Engagement:** Some participants might continue their involvement in athletics beyond the program, joining local sports clubs or teams.
- 20. Educational Takeaways:** Participants could learn about sports science, biomechanics, and other relevant subjects that can be applied to their training.

**Annexure 2: Methodology for Calculating Overall Attendance of the Batch**

Steps and formula for calculating overall attendance are as under.

1. Enrollment: Number of students who have registered and paid fees for CPBFI
2. Drop-outs: Number of students who stopped attending CPBFI during the batch
3. Regular students: Enrollment minus Drop Out
4. Total available student days: Number of regular students multiplied by total duration of CPBFI (number of days. E.g. 40 days)
5. Actual student days: Sum of days attended by each regular student.
6. Overall attendance (%) = Actual Student Days / Available Student Days X 100

Example: In a CPBFI batch 43 students registered and paid fees. By end of first week 3 students stopped attending the batch. The batch was conducted for 40 days. Out of the 40 regular students – 10 attended every class, 15 attended for 35 days, 10 attended for 33 days and 5 attended by 30 days. Overall attendance will be calculated as under.

Enrollment: 43

Drop-out: 3

Regular students: 40

Available days:  $40 \times 40$  i.e. 1600

Actual days:  $(10 \times 40) + (15 \times 35) + (10 \times 33) + (5 \times 30) = 400 + 525 + 330 + 150 = 1405$

Overall attendance:  $(1405 / 1600) \times 100 = 87.81\%$
