TO WHOM IT MAY CONCERN

Subject: Regarding SC and BC category students.

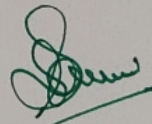

The students apply on the common admission portal online for admission to the college, While applying they have to fill their category which cannot be changed. As the number of students is less than number of seats in BA, BSc programmes the seats are filled on first come first served basis. So the number of SC/BC candidates may increase than the allotted seats.

Also in BCOM and BCA merit based admission is there. Once merit list is prepared SC/BC who fall in general merit are given admission against General seats. But their category cannot be changed on the online portal/college portal.

That is why this discrepancy is arising. You are requested to consider data given otherwise it will not match.

This is a government college no violation of rules occurs or are accepted by the Department of Higher Education.
