**NATIONAL CREATIVITY OLYMPIAD**  
NCO 2021 Will Happen Online

### NCO 2021 - Completely Online Test

Dear Sir/Ma'am,

NCO 2021 presents a unique opportunity for your school to become a part of the Pan-India Creative Aptitude Test. The National Creativity Olympiad has been designed by some of the best brains from the Education Domain and aims to make students aware of the importance of creative thinking and to encourage them to use the same for various problem-solving exercises.

NCO focuses on three aspects in School Level Exam Logical Reasoning, Data Interpretation and Pattern Recognition. Given the time constraint to solve the questions, one needs to think creatively & logically to get the correct answer. We believe that students have learned the concepts in school and this test makes them use those concepts and their ability to perform well in the test.

National Creativity Olympiad is open for students of standard 5th, 6th, 7th, 8th, 9th, 10th & 11th. Test will be conducted in two phases:

1. School Level Exam (SLE): Online test (Internet-based) can be conducted at the School or students can attempt at home.
2. National Level Exam (NLE): Online test (Internet-based) can be conducted at the School or students can attempt at home.

**Important Dates**

- Last Date of Registration: 24 Oct 2021
- Date of School Level Exam (Online, can be attempted from anywhere\*): 11 Nov to 20 Nov 2021
- Result of School Level Exam: 25 Nov 2021

Date: 09-11-2022

Dear Madam,

Jio was founded with a vision to bring DIGITAL LIFE to every Indian. Jio has built a world-class digital infrastructure with sufficient capacity and offered to customers at most affordable prices. Today, Jio's customer base has crossed 425+ million users. Jio is not just the largest operator in India but also, the second largest single country operator in the world.

Now, Jio True 5G will connect every-one, every-place and every-thing with the highest quality and most affordable data. Jio's mission with 5G is to speed up India's transformation into a Digital Society. Jio's True 5G is built on the "We Care" principle and will bring transformational changes across Education, Healthcare, Agriculture, Skill Development, Small, Medium, and Large enterprises, IoT, Smart homes, and Gaming, impacting 1.4 billion Indians.

To accelerate the True 5G Digital Revolution, we need active support and contribution from youth. To empower and help them succeed, we are pleased to announce that your institution has been shortlisted for the **Jio Smart Sales Trainee** Program. It is a 12-month intensive sales program aimed at empowering young students in colleges through a **Learn and Earn** model.

To apply, students will need to complete the following:

1. Give a missed-call 87999-03000 or register on the *Jio careers website / app*
2. Online assessment test
3. Scenario-based video assessment
4. Practical on-field assignment

We request you to share this communication to students through official email IDs and student forums to maximize participation from your institution. For more details, students can visit [www.jio.com](#)
