SUB: Regarding Remaining Payment for Online College Management Software

As you are already aware that we had undertaken the work of Online College Management Software a few months back, we would like to update you the status of the project. The work of online admission module is complete and has already been implemented. The admission for the current session has also been smoothly completed through online system. Updates and modification will continue as and when required. Your staff will use the given modules and notify errors, bugs or changes in existing modules, if any, and those will be taken care of.

As per the agreement, out of total cost of Rs.45,000/-, an initial payment of Rs.30,000/- was made wide cheque number 941619. As the work is complete on our part, we request you to kindly clear the remaining payment as soon as possible.

Thanks and Regards
Haraman Singh

SUB: WINDOWS SHARED VPS HOSTING SERVER

Thank you for the opportunity to provide you with the following quotation. We are enclosing herewith our best possible rate for your kind consideration subject to laid Terms & Conditions. We believe this includes all specifications and options. We trust that you will find our offer most competitive and we look forward to receive your valued order.

Technical Specifications

We provide Windows VPS Hosting Server with following configuration:

- CPU: Intel Core Server, RAM: 3 GB, HDD / Disk Space: 20 GB, Bandwidth: 3 TB, Uplink: 1Gbps (100 Mbps True)
- OS: Windows Server 2016, Database: Microsoft SQL Server 2014, .NET: Microsoft .NET Framework 4.8 / .NET Core 3.1 Support
- Others as per your quotation calling letter

Cost

A. Annual Cost: **Rs.18,499.00** (inclusive of all taxes)
B. After one year, renewal will be done at then active rates and discounts as in effect at that time.
C. Quotation Rates are valid for 30 days only

Terms & Conditions

- Any changes in configuration will affect charges.
- In case of shifting of hosting, any charges occurring on transfers will be borne by your institute.
- If server requires any third party software/resources as per your laid down requirements, cost of acquisitions/maintenance of such resources would be borne by your institute and they will remain your property. Any such third party content shall not be acquired without your prior written consent which may include, but are not limited to: server-side applications, clip art, back-end applications, music, stock images, or any other copyrighted work.
- All server hardware and components will remain property of Hosting Provider only. These will be installed and configured at one of data centers of hosting provider. There will be no physical delivery of any component. Although, you will have its full usage rights.
- 100% payment is to be made upon presenting the bill for the server.
- Typically, the new server will be available for use within 24-48 hours after payment confirmation. Existing server will continue to work without any interruption in service upto the date of expiry or renewal extension, as applicable.

We assure you the best possible service to make your website and web application a success. For any further queries / clarifications please feel free to contact.

Regards
Harbhajan Singh
